

COUNTRY CLUB DANCERS SUMMER DANCE PARTY

Good evening and welcome.

Whether you've come a long long way or you're more "HOME GROWN" I hope everyone is enjoying the Country Club Picnic here at the Amerahn, also known as the land of a thousand dances. Such "GOODTIMES," seems almost like a "FAIRYTALE" doesn't it?

We all appreciate and thank our instructors, Paul and Sharon, who ensure our "HEARTS ARE RIGHT" as we "ROCK TOGETHER" on "WINGS OF LOVE" and Shirley who told us who put "THE BOMP" in the Bomp-she-Bomp, although my kids would say "it was already like that when they got there". Ah! Blame it on the "BOSA NOVA."

The club also wants to thank some "Behind the Scene's" people who make sure we have a "WONDERFUL TIME" up here.

As I mention your name please come on up.

Our great website by Barb shows our news and then some. She "TELLS THE WORLD" all the "THINGS WE DO". (come up)

Karen sends reminders and alerts by trusty email to all us "AMERICAN KIDS" every time without fail. (come up)

Outstanding as Treasurer is our Fabulous Marge. When she's done counting money she'll be "COUNTING STARS." (come up)

Patti takes the money as we come through the doors. A "LITTLE BIT LATER ON" she'll be serving Coors. (come up)

Schedules, CD's, and step sheets, John makes them right. As a fill-in DJ, he keeps us "DANCING IN THE MOON LIGHT." (come up)

In appreciation from the whole "COUNTRY CLUB" for all you do to "UNCHAIN OUR HEARTS" all summer long.

That's enough "CHEAP TALK," "THANKS A LOT."

You can all "CLAP ALONG."
